If this occurs, we will stop for photos outside and replace the visit with an alternative attraction such as the Viet Nam History Museum, the City Art Museum, or the Ho Chi Minh City Museum.
- War Remnants Museum:** For your privacy, the guide does not accompany you inside. They will provide visiting guidance beforehand and be available for discussion afterward.
- Animal Encounters:** During the tour, you may occasionally encounter animals kept in cages (such as pythons, crocodiles, or frogs). These are local village practices for economic purposes and are not part of our promoted experiences. We neither include nor guarantee such encounters in our program, though they may appear unexpectedly along the way. If you prefer to avoid the possibility of seeing this, please let us know in advance so we can recommend alternative programs more suited to your preferences.
